The sky is the limit when it comes to aspiring and achieving for all our candidates. They have set high standards for themselves and are pushing themselves hard to do better than their best. Marked improvements have been observed with time in their successive tournaments. Players who can participate in contests and shine. We are continuously monitoring the progress of other candidates by being in regular touch with them as well as their coaches. Some new applications have also been received and our selection panelists are in the process of assessing their merit and considering them for adoption by the Energy Projekt. We will reach out to you with more news in our next Newsletter. Until then bye.
