Savitha Shri B becomes the 25th Woman Grand Master of India

We have our 25th Woman Grand Master—Savitha Shri B. The World Rapid Women 2022 Bronze medalist, Savitha earned her final WGM-norm at Fagernes GM Open 2023 with a round to spare.

The teenager earned her maiden WGM-norm when she won the Asian Junior Girls in December 2021. She secured her second WGM-norm and crossed 2300 at Czech Open Pardubice in July 2022. Eight months later, she became a Woman Grand Master. A draw in the final round of Fagernes GM Open 2023 earned her the title.

Final WGM-norm in eight games and maiden IM-norm at the same event

The former World Under-12 Girls champion, Savitha Shri B increased her rating from 2257 to 2435 last year. She was ranked 4th among women and got a great opportunity to play at the inaugural Tata Steel Chess India Rapid and Blitz Women event. If one takes a look at her overall score at that event, one would certainly not be able to understand the impact it had on her career. Playing against the likes of GM Nana Dzagnidze (GEO), GM Anna Muzychuk (UKR), GM Koneru Humpy, GM Anna Ushenina (UKR), and GM Harika Dronavalli prepared her for the World Rapid Women 2022, where she earned a historic Bronze medal. She has already scored an IM-norm and crossed 2400 in the September 2022 FIDE rating list, which means she only requires two more IM-norms to become an International Master. It is just a matter of time before she becomes an IM.

We hope she soon becomes an IM and achieves many more laurels and accolades.
