VOLUME IX | ISSUE #3 | July 2024

The Children's Play Area initiative, a collaborative effort involving the Institute of Child Health and Hospital for Children (ICH), Egmore, Energy Projekt, and YRGCARE, has transformed the ground floor of Block E at ICH into a delightful, recreational center for children.

This aims at enhancing the overall well-being and development of children who are receiving outpatient and inpatient care, thus providing them a secure space for playing, reading, friendship building, dancing, and artistic expression.
